### Menu Selections:

In order to insure the availability of all chosen items, your menu selections should be submitted at least one month prior to your banquet date. The "Banquet Sales Order" form confirms menus, services, room arrangements, price and date. The customer's signature is required on this form to confirm and approve these arrangements. A taste testing can be arranged for a \$30.00 per person fee.

### Contract and Billing:

Your signed contract and the balance of the room rental fee are due six months prior to your banquet date.

### Guarantees:

Your final guaranteed count is due one week prior to your banquet date. If you are offering your guest a choice of two entrée selection, this split number is also due. The final guarantee will represent the number of people in attendance and the amount of money due.

### Linen:

From our vendor's inventory, we will provide linens in white or color and size, from which you may select. Any special request for linens, not within our inventory, will be at the customer's expense.

### Wedding Ceremony:

The set up fee for an on site wedding ceremony will be determined by the number of guest and amount of work required. Additionally the cost of rentals will be at the customer's expense.

### Beverage:

As a licensee, we are responsible to abide by regulations enforced by the NJ State Liquor Commission: therefore, it is our policy that liquor may not be brought on the property from outside sources. Any guest under the age of 21 will not be served alcoholic beverages. Our bartenders are not permitted to pour shots of liquor. A list of attendees must be provided.
