

Wednesday Races

Every week, the YCSH Wednesday Race Committee will sponsor races for all Junior Sailors. This is a good opportunity for the sailors to begin racing and test the skills they are taught during the week. There will be coaching for all sailors during races and team racing will be introduced for the advanced sailors. All sailors are encouraged to participate. Sailors need to report to the skippers meeting to register their boats 90 minutes prior to the start of the first race, at which point their boats should be completely rigged and ready to go. The harbor gun will go off 30 minutes before the first race. Instructors will hold pre and post-race briefings with the racers. Lunch will be provided in the Grille Room for a fee. Awards will be given to the sailors after the races. Cumulative awards will be given at the Sailor's Awards Brunch on August 16th.
